To  
The Principal/Director  
Affiliated Colleges under MAKAUT, WB (Nos. 33)

Sub: Affiliation of B.VOC Course for the Academic Session 2018-19.

Dear Sir/Madam,

You have applied for affiliation of B.VOC course in your Institute in the Academic Session 2018-19. You are aware that introduction of such programme will enable the graduates completing B.VOC to make meaningful participation in accelerating India's economy by gaining appropriate employment, becoming entrepreneurs and creating appropriate knowledge. The curriculum of such B.VOC course would be suitable mixed of general education and skill development components. The skill development components and general education components have been detailed by the Regulatory Body which are stated hereunder:

#### Skill Development Components:

- (i) The focus of skill development components shall be to equip students with appropriate knowledge, practice and attitude, so as to become work ready. The skill development components should be relevant to the industries as per their requirements.
- (ii) The curriculum should necessarily embed within itself, National Occupational Standards (NOSs) of specific job roles within the industry sector(s). This would enable the students to meet the learning outcomes specified in the NOSs.
- (iii) The overall design of the skill development component along with the job roles selected should be such that it leads to a comprehensive specialization in one or two domains.
- (iv) In case NOS is not available for a specific area / job role, the university/college should get the curriculum for this developed in consultation with industry experts.
- (v) The curriculum should also focus on work-readiness skills in each of the three years.
- (vi) Adequate attention needs to be given in curriculum design to practical work, on the job training, development of student portfolios and project work.

#### General Education Component:

- (i) The general education component should adhere to the normal university standards. It should emphasise and offer courses which provide holistic development. However, it should not exceed 40% of the total curriculum.
- (ii) Adequate emphasis should be given to language and communication skills.

As you are interested to get affiliation of B.VOC course from this University, you are requested to defend your proposal of introduction before a committee on the following aspects as per following schedule:

- (i) Infrastructure facilities developed showing the labs/workshops.
- (ii) Identification of faculty members.
- (iii) MOA with the Industry/Skill Partner for providing skill oriented training to the students.
- (iv) Proposed Syllabus.
