Sub: suggestions for upgradation of syllabi of various disciplines as per NBA guidelines.

Esteemed Colleagues,

Pursuant to the National Board of Accreditation (NBA) Awareness workshop held on 28.05.17 at CII Salt Lake, Kolkata, we would like to upgrade our course syllabi keeping in mind the Programme Outcomes and Course Outcomes (PO – CO) matrix.

In view of this we appreciate your and your colleagues' valued suggestions for upgradation of syllabi of various disciplines as per NBA guidelines.

The links to this guideline are:

- <http://www.nbaind.org/En/1064-current-accreditation-documents.aspx>
- <https://www.youtube.com/watch?v=1PwknZETdMQ>

Hence, we would like to request your HODs along with their colleagues to frame syllabi of their courses along with the PO and CO and send them to us at bos.wbut@gmail.com in a months' time, so that we can place them before the BOS for further action.

Thanking you for your co-operation.
