

**Maulana Abul Kalam Azad University of Technology, West Bengal
BF-142, Sector - I, Salt Lake City, Kolkata - 700064**

No:12.3/Regis/Awareness/2018

Date:12.03.2018

Maulana Abul Kalam Azad University of Technology, West Bengal (formerly known as West Bengal University of Technology) has envisioned to bring awareness about “**prevention and early detection of common cancers**” as it greatly increases the chances of treatment.

All are cordially invited to attend seminar on **prevention, early signs and symptoms of common cancers. The latest diagnostics and treatment modalities are also in the ambit of the seminar to be held on 22nd March, 2018 at 2.0 pm** at the university auditorium.

Thanking you

Regards

Dr. Indranil Mukherjee

Registrar (Actg.)
