

No. 23.8/Regis/Decentralised Counselling/2017

Dated: 23rd August, 2017

To
The Principal/Director,
All the Affiliated Colleges offering UG level Engineering & Technology courses

Dear Sir/Madam,

This is to inform you that as per the Govt. Order No. 439-Edn(T)10M-86/15 dated 18.07.2017, all institutions except Government Engineering & Technology Colleges under this University are at liberty to conduct their own individual counselling and admission procedure for admission to their declared vacant seats and for Govt. Engineering & Technology colleges, a separate common counselling and allotment procedure shall be conducted by the Joint Entrance Board. The schedule for conduct of such counselling is from 22nd August, 2017 to 23rd August, 2017.

Considering the above, Directorate of Technical Education vide order No. 116(T)/CS dated 17th August, 2017 has requested the University to “declare the said extended cut-off date in its Website at the earliest.”

In accordance with the Govt. Order, all are requested to close their admission procedure to all UG level Engineering & Technology courses under this University on or before 31st August, 2017. So that, we can start our Registration Process for the Academic Year 2017-2018.

Your kind cooperation is highly solicited in this regard.

Thanking you,

Yours faithfully,

(Dr. P. K. Das)
Registrar (OSD)
