

Project Proposal Presentation

This is to inform all interested faculty members of WBUT and its affiliated colleges that members from Board of Research in Nuclear Sciences would be visiting Kolkata on 4th and 5th August 2014. The purpose of their visit would be to look for new R&D proposals related to their field of interest (http://www.barc.gov.in/brns/brns_interest.html). Those who are interested in participating in the same are requested to get in touch with Dr Shaon Ray Chaudhuri (shaon.raychaudhuri@gmail.com; 9831034236) within 10AM, 24th July 2014 with the title of the project and brief write up (200 words) of the objective of the project with tentative budget.
