West Bengal University of Technology

Dear Sir,

Three lists of students granting full waiver of semester fees have been published so far. The lists are posted in the University website [www.wbut.ac.in](http://www.wbut.ac.in). You may please download these lists from the Students' Welfare link of [www.wbut.ac.in](http://www.wbut.ac.in). Kindly ensure that the students do not face any difficulty in filling up their examination forms or appearing in the examinations. Please note that some more cases are under process where the father of the student has expired after the student enrolled at WBUT. These cases will shortly be given fee waiver after appropriate processing. You are requested to consider these cases and exempt them from paying the semester fees.

Further, for those students whose parents have both expired, the examination fees may also please be waived. In such cases, a photocopy of this letter may be submitted with the form along with the necessary supporting documents.

In case of any query / clarification, please contact Mr Som Mauli Adhikary, Convenor, Students' Welfare Committee, WBUT at 9432083660.

Kindly do the needful.  
With best regards,  
Sincerely,

  
Dr Syed Rafikul Islam
