

## Pre-convention Tutorial CSI 2017

The 52nd Annual Convention of Computer Society of India (CSI 2017) will be held at Science City, Kolkata during 19th January to 21st January 2018. The theme of the CSI 2017 is "Social Transformation – Digital Way". The convention always attracts a large number of high quality submissions every year and participants from both industry and academia. This time the convention will cover all aspects of digital technology and machine learning in computer science and engineering, general science, educational research and management science.
