West Bengal University of Technology

GENERAL INSTRUCTIONS

All participants of the courses organised by South Asian Management Technologies Foundation, whether affiliated to West Bengal University of Technology or not, will be governed by the following rules.

1. All courses, unless specified separately, are non residential course.
2. The course fee for non-residential workshop includes training fee and cost of material. Lunch is served during workshop days for full day programmes
3. The fee for residential course includes, in addition to above, accommodation at the designated hotel for 3 nights and buffet breakfast and dinner. If a participant wishes to make own accommodation arrangement, the non residential fee will apply.
4. Examination fee is charged separately and includes University fee, centre charges, and management fee. Candidates appearing in the examination must fill up the candidate information form. They may be required to fill up additional forms.
5. Participants outside India may note that there is no separate fee for attending the workshop in India. If the fee has been announced in Indian Rupee please confirm the applicable conversion rate.
6. Participants appearing in the University certification examination may note that that they must appear in the examination within six months from the date of completion of training. Those appearing in the online mode of training can appear in the examination only after 30 days from the date of admission.
7. A candidate can appear in examination thrice within six months. Opportunity will be provided to every candidate to appear in three examinations within six months. Of the three opportunities at least one will be at the place of training. The candidate may not get the opportunity of appearing at all three examinations in the venue of training.
8. Additional fee may be charged for the re-examination.
9. Candidate not qualifying in three attempts or after elapse of six months from the date of completion of training, whichever is earlier, will have to undertake the contact session / re-register by paying requisite fees.
10. In order to appear in the University examination the candidate must be a graduate before the date of the examination.
11. Candidate shall consult the website or the notice board to get information on date of examination. Candidates in India may register their mobile phone numbers for sms alerts.
12. Each subscription to a research material, wherever applicable, entitles one person to attend the explanatory workshop, wherever offered.
